Hello Mr. Sidney,

I'm resending you the email below. When I originally sent it I got a 'message undeliverable' email in return. I believe I used a wrong email address.

As my inspection visit to Polacca PWS is imminent, now is the time I need to ask you about some of the very basic logistic questions.

**When and where should we expect to meet next Wednesday afternoon?**

Here is contact info for me and my EPA colleague Chris Chen. Please let us know.
